**ANNUAL & QUARTERLY STATEMENTS NO LONGER REQUIRED
OF LOCAL PACs**

On January 6, 2016 Governor Snyder signed PA 269 of 2015. The new law makes a number of changes to the Michigan Campaign Finance Act – including the elimination of the Annual Statement as well as the July Quarterly and October Quarterly statements for local Political & Independent Committees (PACs).

Since the Bill has immediate effect, the 2015 Annual Statement due on February 1, 2016 is no longer required to be filed.
