GOVERNING BODY
In Macomb County — as in other Michigan counties — the Board of Commissioners is the legislative, administrative and policy making body for the County. Our Board is composed of 25 members who are elected every two years. There are seven major committees, nine standing committees, thirteen subcommittees on the Board and such special committees as may be appointed from time to time for specific purposes.

ELECTED OFFICIALS
The Michigan Constitution provides that the voters of each county must elect a Sheriff, Clerk, and Register of Deeds, Prosecuting Attorney, Treasurer and Public Works Commissioner every four years. Circuit, Probate and District Court judges are also elected on the county level.

CLERK AND REGISTER OF DEEDS
The County Clerk is clerk of the Circuit Court and clerk of the following Boards: Board of Commissioners, Board of Election Commissioners, Tax Allocation Board, Board of County Canvassers, County Plat Board, Civil Service Commission, Election Scheduling Committee and Concealed Weapons Licensing Board.

Other functions of the clerk are primarily record keeping in nature. Transcripts of births and deaths, certificates of assumed name and co-partnership, articles of incorporation, records of discharges of military personnel, records of those persons authorized to practice certain professions are some of the various records the Clerk is required by law to keep. The Clerk issues marriage licenses, concealed weapon permits, notary public commissions and processes passport applications and naturalization applications.

The canvass of votes in state, county, school and some city and townships elections is under the jurisdiction of the County Clerk, who is responsible to the Secretary of State for certified results of the elections.

The Register of Deeds records all deeds and mortgages which have to do with properties located within the boundaries of Macomb County. All subdivision plats within the county are also on record in the Register's office. Financing statements on automobiles and other personal property are filed, as are attachments, lis pendens, federal tax liens, Michigan tax liens, mechanics liens and Sheriff's deeds.

PROSECUTING ATTORNEY
The Prosecuting Attorney is the chief law enforcement officer in the county. The office is established by the Michigan Constitution and the duties and qualifications of the Prosecuting Attorney are set by statute. The Prosecuting Attorney is a sworn impartial arbiter, charged with the conduct of criminal prosecution in the interest of the people. As a minister of justice, he is also charged with defending those unjustly accused. He represents the County in all courts of the County and before the Supreme Court and Court of Appeals in criminal matters in which the state or county is a party or is interested. In Michigan, Prosecuting Attorneys are elected for a four year term. He must be a qualified elector and an attorney admitted to practice law. In Macomb County, the Prosecuting Attorney's office is on the sixth floor of the Court Building. It is staffed with 39 attorneys — The Prosecuting Attorney and 38
assistants. They service the District Courts, Municipal Courts, both divisions of Probate Court and eight Circuit Courts.

PUBLIC WORKS COMMISSIONER

Formerly known as the Drain Commissioner, the title of this office was recently changed by the Board of Commissioners to Public Works Commissioner to more accurately reflect the broad scope of his duties.

The major duties of the Public Works Commissioner emanate from two state Acts, Act 40 of 1956 (Drain Code) and Act 342 of 1939. Under these statutes, he carries out a wide range of public works projects at the request of local communities or property owners.

The projects include flood control, storm drains, water supply systems, sanitary sewers, and pollution control facilities. His role in managing these projects is all embracing, ranging from initial planning through final design, financing, construction, operation, maintenance, and administration. Value of work completed since 1961 is $160 million. The Public Works Commissioner also reviews subdivision plat applications; works with state and federal agencies to enforce flood plain and pollution control laws; and helps coordinate federal, state, and regional plans on flood control and water quality management. In addition, he is a statutory member of the County Parks and Recreation Commission and Administrative Secretary of the Commission, in charge of supervising staff operations.

The Public Works Commissioner was recently named administrator of the County Soil Erosion and Sedimentation Control Program under Act 347 of 1972. The Act is designed to curb pollution of waterways by control of soil erosion and sedimentation at construction sites. He operates the program in most of the county, covering (11) townships, (7) cities, and (1) village.

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands. One Nation, under God, indivisible, with liberty and justice for all.

This directory is being offered to the people of Macomb County as a public service. It contains information which will acquaint citizens with all county elected and appointed officials and with those holding national and state offices representing our county.

The booklet is printed by the County of Macomb and compiled by Edna Miller, Macomb County Clerk and Register of Deeds. Copies of the directory are free and can be obtained from Mrs. Miller’s office.

Sincere thanks to the many officials whose cooperation made the publication possible. We extend a welcome to the people of the county to call on us at any time for any information or assistance which we may be able to give.
