Macomb . . .
A County For All Seasons!
Dear Macomb County Residents,

This informational directory is being offered as a tool of better communication with your government.

It contains addresses and phone numbers where elected officials holding city, county, state, and national offices can be reached, as well as self-explanatory maps of political districts, parks, and public service centers.

This directory is printed by the County of Macomb and compiled by the County Clerk’s Office staff with the cooperation of many officials.

Copies of the directory are free and can be obtained from my office, which is located on the first floor of the Macomb County Court Building, 40 North Main Street, Mt. Clemens, MI 48043.

For further information or assistance please feel free to call our office at (810) 469-5120.

Sincerely,

Carmella Sabaugh
Macomb County Clerk and Register of Deeds

National Anthem .......................................... Inside Back Cover
General Alexander Macomb, a highly decorated veteran of the war of 1812 and a respected General of the U.S. Army, left a legacy of strength with which to name Macomb County.

Though today's land boundaries were not set until the mid-1820's, Macomb County's first settlement was founded in 1871, by a religious sect of people called the Moravians, along the shore of the Huron River. Predominately wilderness, the county's most lucrative industry was lumber.

A failed attempt at education was made in 1818 when only three students enrolled in the first school, located in the courthouse of downtown Mount Clemens. In 1920, education was reintroduced but it would be 15 years before a structure was built for educational purposes.

In the 1870's, mineral baths and lush hotels brought international fame to Mount Clemens for its spa vacations, due to the discovery of a stream which still runs beneath the city. Though many believed that the water had healing powers, the interest in the spas died out in the early 20th century.

Between 1920 and 1930, Macomb County doubled in population. Southern Macomb County was industrialized primarily due to automobile manufacturing which escalated greatly at the end of World War II. A lucrative car industry, combined with federal programs such as the Federal Housing Act and the Veterans Administration Housing Act encouraged housing, and population grew by 70 percent from 1940 to 1950. As a result of this growth, public facilities were enlarged, schools were built and streets were paved.

While agriculture still dominates land usage of the 300,000, plus, acres of Macomb County, residential development is rapidly growing and present land usage of Macomb County is as follows:

Dominating the emblem of Macomb County is the County outline flanked by a sailboat and three gears which represent recreation and industry, two of the county's greatest assets. The banner traversing the symbol representing progress. The date 1818, is the year Macomb County was established. Circumscribing the emblem are the words Macomb County and Michigan, separated by five-pointed stars - symbols of quality.

Each County must have such a board to canvass all state, county, school, and some city, township, and village elections. After the primary and general elections, the board reviews and analyzes the results to determine who has been nominated in primary elections and which candidates are elected in general elections. After the general elections, the board delivers certificates of election to the County Clerk. The board is also empowered to conduct recounts in certain elections.

MAJOR PARKS IN MACOMB COUNTY
Macomb County is often noted for its recreational opportunities, particularly its access to both inland lake facilities and Lake St. Clair. There are four major public parks in the County where persons can enjoy a vast array of year-round, recreational activities. These four parks complement the many municipal parks located in each of the twenty-seven communities in Macomb County. County residents are never far from leisure facilities.

The major parks in Macomb County include:

Freedom Hill County Park
Located in the city of Sterling Heights on Metropolitan Parkway, this 100 acre park is easily accessible from all parts of the County. Opened in 1974, the Freedom Hill County Park has evolved into a special events park known for its festivals and shows. Major facilities at the park include the multi-use Independence Building, festival grounds with shelters, open-air amphitheater, tot lot, and games area. The park is used by families and groups for picnicking and related activities. The air-conditioned Independence Building, complete with caterer, can be rented for business meetings and social gatherings.

Metrobeach Metropark
At 770 acres, Metro Beach offers one and one-quarter miles of Lake St. Clair frontage. The park is designed for use by a variety of age groups. Facilities include a large lake beach area, swimming pool with water slide, tot lot and play areas, picnic areas and shelters, three marinas, a nature interpretive area, a paved hike/bike trail, boat launch, an 18-hole par 3 golf course, and an 18-hole adventure golf course. An open-air pavilion offers day and evening concerts during the summer months. In the winter, park users can enjoy ice fishing, ice skating, and cross-country skiing, weather permitting.
**Stony Creek Metropark**

Built around the 500 acre Stony Creek Lake in the rolling terrain of northwestern Macomb County, this metropark utilizes its 4,461 acres for a variety of recreational activities. Nine large picnic areas accommodate summer visitors. Ten miles of paved roads and over six miles of hike/bike trails provide scenic tours. Other amenities include an 18-hole championship golf course, a nature interpretive area, two swimming beaches, play areas, boat launch, and boat rentals. Winter visitors can enjoy cross-country skiing on groomed trails, sledding, and ice skating.

**Wolcott Mill Metropark**

Beginning April 1, 1995, Wolcott Mill Metropark will be open year-round. This metropark highlights a historic grist mill on the North Branch of the Clinton River in Ray Township. Situated in a pristine, natural setting, the park offers educational group tours of the mill, and a variety of history programs for families and individuals. A short nature trail is also located near the mill. Currently under development is the Farm Learning Center. Covering over 200 acres about one and one-half miles north of the mill, the farm will demonstrate modern farming practices to the general public and to active farmers. The farm will house a small dairy herd and other farm animals, and it will exhibit sample plots of many different agricultural crops such as corn and soybeans.

The Star-Spangled Banner
National Anthem

O say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming
Whose broad stripes and bright stars
through the perilous fight
O'er the ramparts we watched,
were so gallantly streaming
And the rockets' red glare,
the bombs bursting in air,
gave proof through the night
that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free
and the home of the brave

-Francis Scott Key
