A Brief History of Macomb County

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized in 1818 as the third County in the State of Michigan. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the County were removed to form the Counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans had arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. The first organized, non-native settlement in the County was established in 1784 by a group of missionaries known as the Moravians. They settled along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewas.

In 1796, a new settlement, located on the Clinton River a few miles downstream, was established by a man named Christian Clemens. Known as Mount Clemens, the settlement would eventually become the Macomb County seat. In the 1800's, settlers moved into the interior of the County, carving out farms from the hardwood forests.

In the 1870's, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940's and 1950's the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to the County's population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the State, with a 1990 census total of 717,400 persons. The County is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State. While agriculture and vacant land still dominate County land use totals, residential development is rapidly growing. Present land usage in Macomb County is follows:

- Vacant: 92,260 acres (29.9%)
- Agricultural: 76,490 acres (24.8%)
- Residential: 66,450 acres (21.5%)
- Public/Semi-Public: 40,030 acres (13.0%)
- Industrial: 15,200 acres (4.9%)
- Recreational: 10,760 acres (3.5%)
- Commercial: 7,310 acres (2.4%)

The Circuit Court is referred to as the trial court of general jurisdiction in Michigan because of its very broad powers. Circuit Court has jurisdiction over all actions except those given by State law to another court. Circuit Court has original jurisdiction in all civil cases involving more than $10,000; in all criminal cases where the offense involves a felony or certain serious misdemeanors; and in all domestic relations cases, including divorce and paternity actions.

The State is divided into judicial circuits along County lines. Circuit judges are elected for six-year terms on non-partisan ballots. The number of judges in a circuit reflects the volume of business in the court. The Circuit Court also hears cases appealed from lower courts and from some administrative agencies of State government. The Circuit Court has superintending control over other courts within the circuit, subject to final superintending powers of the Supreme Court.

The Court Administrator supervises the operation of the Court as its executive officer. The Court Administrator and the Administrative Assistant are problem solvers who make sure that all positions are staffed, resolve logjams in the system, maintain statistics, develop reports for the judges of the Court and the State Court Administrator's Office, and assist in the development and implementation of innovative programs to increase the efficiency of the Court.

The Court Administrator's Office is responsible for the management of the Court's case load, including the scheduling of cases, preparing the weekly motion docket, the handling of the Court rule mediation process and the policing of the Court's docket to make sure that cases proceed expeditiously. The Judicial Aide manages the appointment of attorneys to represent indigent individuals who are charged with felonies in the Court. The Family Counseling Department provides psychological reports in domestic cases upon the order of the Court.

The Wills and Estates Division is involved with the general administration of estates, as well as jurisdiction over inter vivos (living) trusts and testamentary trusts. The Court appoints guardians and is involved with the ongoing affairs of guardianship and conservatorship for both minors and legally incapacitated adults. As a public service for a nominal fee, the Court accepts Last Will and Testaments of County residents for storage. The Mental Division accepts petitions and holds hearings on the hospitalization of those individuals who are in need of mental health services, and appoints guardians, when necessary, for those minors and adults who are found to be developmentally disabled. The Juvenile Division, commonly known as Juvenile Court, handles cases of delinquent, neglected, or abused children. The County operates a Youth Home in connection with Juvenile Court. Probate judges are elected for six-year terms on non-partisan ballots.

MACOMB COUNTY DISTRICT AND MUNICIPAL COURTS

The District Court has exclusive jurisdiction of all civil litigation up to $10,000 and also handles garnishments, eviction proceedings, land contract forfeitures, and other proceedings. For criminal cases, the District Court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. Civil infractions are also handled in District Court. A Small Claims Division for certain civil claims is provided in the District Court. District judges may appoint magistrates. The magistrates may set bail and accept bond in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear Small Claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to $1,500. Its criminal jurisdiction is similar to District Court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by City Charter. They are part-time judges and may practice law outside of the Court room.

MAJOR PARKS IN MACOMB COUNTY

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are four major public parks in the County where persons can enjoy a vast array of year-round, recreational activities. County residents are never far from leisure facilities. The major parks in Macomb County include:

Freedom Hill County Park (810) 979-7010
Located in the city of Sterling Heights, this 100-acre park is easily accessible from all parts of the County. Freedom Hill sponsors many festivals and special events. The park includes the Independence Building, shelters, open-air amphitheater, tot lot, and games area. Visitors enjoy picnicking and related activities on the grounds. The air-conditioned Independence Building, complete with caterer, can be rented for business meetings and social gatherings.

Metro Beach Metropark (810) 463-4581
At 770 acres, Metro Beach offers 1.25 miles of Lake St. Clair frontage. Facilities include a large lake beach area, swimming pool with water slide, tot lot and play areas, picnic areas and shelters, three marinas, a Nature Interpretive area, a paved hike/bike trail, boat launch, an 18-hole par 3 golf course, and an 18-hole adventure golf course. An open-air pavilion offers day and evening concerts during the summer months. In the winter, park users enjoy ice fishing, ice skating, and cross-country skiing, weather permitting.

Stony Creek Metropark (810) 781-4242
Built around the 500-acre Stony Creek Lake in gently rolling terrain, this 4,461-acre metropark offers many recreational activities, including nine large picnic areas, an 18-hole championship golf course, nature interpretive area, two swimming beaches, play areas, boat launch, and boat rentals. Ten miles of paved roads and over six miles of hike/bike trails provide scenic tours. Winter visitors can enjoy cross-country skiing, sledding, and ice skating.

The Star-Spangled Banner
National Anthem

O say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming.
Whose broad stripes and bright stars
through the perilous fight
O'er the ramparts we watched
were so gallantly streaming
And the rockets' red glare,
the bombs bursting in air,
gave proof through the night
that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free
and the home of the brave

-Francis Scott Key
