The 2001 Macomb County Directory
Photo Selection Process

The photography contest is co-sponsored by Macomb County Clerk/Register of Deeds, Carmella Sabaugh and Community Central Bank. Judith Ehmke, a resident of Shelby Township, was chosen as the Grand Prize winner and took this year's cover photograph at the Mount Clemens Bath City Festival, winning a $100 U.S. Savings Bond.

Photos were to showcase a community event in Macomb County. Macomb County Clerk/Register of Deeds Carmella Sabaugh, CEO/President of Community Central Bank Harold Allmacher, and President of Robinson Photography Michael Robinson judged the contest.

“All photographs that were submitted show Macomb County and the fun events it has to offer from air shows to festivals,” said Sabaugh. The back of the directory features the five finalist's photographs. Each finalist won a $50 U.S. Savings Bond and include: Carla Carlton (Romeo Peach Festival shows Governor George W. Bush); Michael Cassady (Mount Clemens Bath City Festival featuring his grandchildren); Judith Ehmke (Mount Clemens Bath City Festival); Jeannie Jenuwine (Harrison Township Selfridge National Guard Air Show features her children); and Vickie Klein (Romeo Peach Festival features her family).

Dear Citizens and Friends of Macomb County:

As the Macomb County Clerk/Register of Deeds, it is my pleasure to offer the 2001 Macomb County Directory. It was published for the citizens and friends of Macomb County so they would have an instant resource guide to better communicate with government offices and agencies.

The staff of the Clerk's Office, along with the cooperation of many officials, compiled the information in this directory. I would like to thank everyone that helped.

Visit the Clerk's Office/Register of Deeds website at http://www.libcoop.net/sabaugh. Our office also offers some forms on a Fax-On-Demand service. If you are calling from Michigan, call (888) 99-CLERK, or, if you are calling from out-of-state, call (310) 575-5035. From either location, request document number one for a full listing of documents.

Copies of this directory are free and may be obtained from the Clerk's Office at: Macomb County Circuit Court Building, 40 North Main Street, 1st Floor, Mount Clemens, Michigan 48043.

The information is current at the time of printing. I sincerely hope that my efforts in organizing this information will be helpful in making our government more accessible to you.

Sincerely,

Carmella Sabaugh

BRIEF HISTORY OF MACOMB COUNTY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1780s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit.

During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to the County’s population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 1990 census total of 717,400 persons. The county is recognized as a leader in business and industry, and designated as a “Community of Economic Excellence” by the State of Michigan.

The National Association of Counties (NACO) Achievement Awards are given each year to counties who design and implement innovative programs, enhance services to residents, and improvements to county management. Macomb County has demonstrated its commitment to providing the best possible services to its residents by ranking 9th in the nation, and first in the State for the 19th consecutive year.

The Macomb County Circuit Court is called a trial court of general jurisdiction because it has jurisdiction over all actions except those given by state law to another court. In general, it has jurisdiction in civil cases involving more than $25,000; domestic relations cases and some serious misdemeanors. The court also has jurisdiction over appeals from district courts, appeals from certain administrative agencies and superintending control over the Macomb County district courts.

Beginning January 1, 1998, the Michigan Legislature created the Family Division of circuit court in all circuit courts. The Family Division of circuit court incorporates the family matters, which were formerly assigned to the Probate Court, largely juvenile proceedings. The Family Division presides over all domestic relations matters and strives to accomplish the "one judge – one family" goal of the legislature. The County Clerk serves as the Clerk of the Family Division. Circuit court judges are elected to six-year terms on non-partisan ballots.

MACOMB COUNTY DISTRICT AND MUNICIPAL COURTS

District Courts have exclusive jurisdiction of all civil litigation up to $25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to $1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the Courtroom.

Did you know...
Macomb County is one of the top counties in the state reporting car-deer accidents. During 1999, a total of 641 car-deer crashes were reported. Most take place north of M-59, however, some have been reported as far south as 15 Mile Road. Car-deer crashes in Michigan for 1999 totaled 67,669, killing six people and injuring 2,300 others.
To reduce chances of a car-deer crash, the Macomb County Sheriff urges drivers to be on the watch for them, especially between 6:00 - 9:00 p.m., and drive at slower speeds through areas posted with deer-crossing signs. If you can't stop, don't swerve out of your lane. It's generally safer to hit the deer than run off the road or risk injuring another motorist.

Macomb County is often noted for its recreational opportunities, particularly its access to inland lakes and Lake St. Clair. There are four major public parks in the County where people can enjoy a vast array of year-round recreational activities. County residents are never far from leisure facilities. These major parks include:

**Freedom Hill County Park** ........................................... (810) 979-7010
Locate in the city of Sterling Heights, this 100-acre park is easily accessible from all parts of the county. Freedom Hill sponsors many festivals and special events. The park includes the Independence Building, shelters, open-air amphitheater, tot lot, and game area. Visitors enjoy picnicking and related activities on the grounds. The air-conditioned Independence Building, complete with caterer, can be rented for business meetings and social gatherings.

The 770-acre Metro Beach offers 1.25 miles of Lake St. Clair frontage. Facilities include a large lake beach area, swimming pool with water slide, tot lot and play areas, picnic areas and shelters, three marinas, a nature interpretive area, a paved hike/bike trail, boat launch, an 18-hole par 3 golf course and an 18-hole adventure golf course. An open-air pavilion offers day and evening concerts during the summer months. In the winter, park users enjoy ice-fishing, ice skating, and cross-country skiing, weather permitting.

**Stony Creek Metropark** ........................................... (810) 781-4242
Built around the 500-acre Stony Creek Lake in gently rolling terrain, this 4,461-acre metropark offers many recreational activities, including nine large picnic areas, an 18-hole championship golf course, a nature interpretive area, two swimming beaches, play areas, boat launch, and boat rentals. Currently under development is the Farm Learning Center, covering over more than 200-acres about 1.5 miles north of the mill. It will demonstrate modern farming practices, house a small dairy herd and other farm animals, and exhibit sample fields of various agricultural crops.

Pledge of Allegiance

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The Star-Spangled Banner

National Anthem

Oh, say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
Oh say, does that star-spangled banner yet wave
O'er the land of the free
and the home of the brave?

— Francis Scott Key
