The photography contest is co-sponsored by Macomb County Clerk/Register of Deeds Carmella Sabaugh and Community Central Bank. Jim Shannon, a resident of Clinton Township, won a prize of a $100 U.S. savings Bond for being chosen as the Grand Prize winner. Jim took the cover photograph of a wood carved and acrylic and air brushed red - tailed hawk.

"The arts in Macomb County deserve attention and the photo contest is one way to do it," said Sabaugh. "Macomb County artists and musicians ought to have increased support. I hope the photo contest will focus attention on some of the wonderful arts available in Macomb County."

Photos were to spotlight Macomb County residents' artistic talents with painting, sculpting, carving or drawing. Macomb County Clerk/Register of Deeds Carmella Sabaugh, Branch Manager Kathy Trombley on behalf of Community Central Bank, and President of Robinson Photography Michael Robinson judged the contest.

The back of the directory features the five finalist's photographs. Each finalist won a $50 U.S. Savings Bond. They are (clockwise from lower-left corner):

- Vincent Wilder of Harrison Township (sculpted marble);
- Helen Groh of Mount Clemens (pastel painting of Clinton River);
- Madeleine Gilbert of Harrison Township (oil painting of swans);
- Cristina Tabbi of Warren (charcoal drawing of a fisherman); and,
- Benny Smith of Warren (quill and ink drawing of a wolf).

BRIEF HISTORY OF MACOMB COUNTY
Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at St. Joseph Hospital in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County's population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2000 census total of 788,149 persons. The county is recognized as a leader in business and industry, and designated as a "Community of Economic Excellence" by the State of Michigan.

**Michigan fact…**

In 1997, the White-Tailed Deer (*Odocoileus virginianus*) was designated the state game mammal after the successful lobbying efforts of a group of Zeeland fourth graders. Found in every Michigan county, the white-tailed deer is an important natural and economic resource.
The Macomb Circuit Court is a trial court of 'general jurisdiction' because it handles all actions except those given by State law to another court. The Civil Division has jurisdiction over civil cases involving more than $25,000 and cases in which parties seek equitable relief. The Criminal Division handles all Macomb County felony criminal actions and some serious misdemeanor cases. The Family Division handles all domestic relations matters. The Juvenile Division is part of the Family Division and handles delinquency, abuse and neglect and adoption cases. The County Clerk serves as Clerk of the Court. Circuit Court judges are elected to six-year terms on non-partisan ballots.

MACOMB COUNTY DISTRICT AND MUNICIPAL COURTS

District Courts have exclusive jurisdiction of all civil litigation up to $25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to $1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

Michigan fact...
Michigan covers 58,110 square miles of land, 38,575 square miles of Great Lakes waters and 1,305 square miles of inland waters.
"Michigan" comes from the Indian word "Michigama" meaning great or big lake. The French first used the word for the Great Lake that Native Americans called the "Lake of Illinois" - now Lake Michigan. It was first used officially to refer to this land area when Congress created the Territory of Michigan in 1805.

Pledge of Allegiance

I pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one nation, under God, indivisible, with liberty and justice for all.

The Star Spangled Banner

National Anthem

Oh, say can you see,
by the dawn's early light,
What so proudly we hailed
at the twilight's last gleaming?
Whose broad stripes and bright stars,
through the perilous fight,
O'er the ramparts we watched,
were so gallantly streaming?
And the rockets' red glare,
the bombs bursting in air,
Gave proof through the night
that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

- Francis Scott Key
