BRIEF HISTORY OF MACOMB COUNTY

Named in honor of General Alexander Macomb, a highly decorated veteran of the War of 1812, Macomb County was formally organized on January 15, 1818 as the third county in the Michigan territory. At that time, it covered a much larger area than it does today. In 1819 and 1820, large portions of the county were removed to form the counties of Oakland, Lapeer, Genesee and St. Clair.

The first Europeans arrived in the area during the 17th century. They included French fur trappers who recognized the richness of the marshes and sought new opportunities for trade. Moravian missionaries established the first organized, non-native settlement in the county in 1782 as a refuge for Christianized Indians driven out of Ohio. They built along the banks of the Clinton River, then known as the Huron River, but were forced to leave four years later by the Chippewa Indians. In the late 1790s, Christian Clemens visited the area, and in March 1800, purchased a distillery considered the first building on the site of the future Mount Clemens. The next year he purchased 500 acres for development. This site, known as High Banks, was platted as the Village of Mount Clemens in 1818, when it was proclaimed the Macomb County Seat.

In the early 1800s, and at least by 1840, settlers moved into the interior of the county, carving out farms from the hardwood forests. The roots of the county villages and townships were established by this time. In addition to the original French and English, later settlers included Germans, Belgians and others who came directly from Europe.

In the 1870s, mineral baths brought international fame to Mount Clemens. Many believed the waters had healing powers. Although the stream still runs beneath the city, interest in the spas died out in the early 20th century. Recently, there has been a reemergence of interest in the mineral baths now being offered at Henry Ford Macomb-East Campus in Mount Clemens.

Between 1920 and 1930, Macomb County doubled in population, rising from 38,103 to 77,146 persons. Two significant developments spurred this growth – the establishment of Selfridge Field in 1917, and the beginning of the urbanization movement northward from the City of Detroit. During the 1940s and the 1950s the movement from the central city to the suburbs increased. The largest growth occurred between 1950 and 1970, when over 440,000 people were added to Macomb County’s population.

Today, Macomb County encompasses 482 square miles, and ranks third in population in the state, with a 2000 census total of 788,149 persons. The county is recognized as a leader in business and industry, and designated as a “Community of Economic Excellence” by the State of Michigan.

History prepared in consultation with the Macomb County Historical Society and Crocker House Museum.

2009-2010 MACOMB COUNTY
BOARD OF COMMISSIONERS

Thank you to the former Board of Commissioners. When voters enacted the county charter, the 2009-2010 Board became the last group of commissioners to have both legislative and executive authority.

Under the leadership of Chairman Paul Gieleghem, Commissioners Duzyj, Sauger DiMaria, Moceri, Doherty, Joan Flynn, Rocca, David Flynn, Mijac, Lampar Szczepanski, Carabelli, Brown, Brdak, Rengert, Torrice, Bruley, Camphous-Peterson, Tocco, Kepler, Accavitti, Crouchman, Boyle, Vosburg and Sprys worked together to change the way the county does business and set the right tone for a new form of government. Examples include:

Leadership by example: when cuts became necessary, this Board was the first local government to cut the pay, the benefits, and the health care of commissioners before asking for employee concessions and before asking for contributions from taxpayers.

Cost Cutting and Reform: facing an economic crisis head-on, this Board balanced three budgets in two years, reduced the county workforce by 300, initiated pension reform, bid-out retiree health care to maintain coverage and secure savings, worked with state legislators to reform the Road Commission making it a regular department of county government and funded the County Charter Commission.

Innovation: created partnerships that saved the Macomb County (Library) Research Center and Martha T. Berry hospital.

Preserved the county Bond Rating: Macomb is just one of three Michigan counties and one of thirty-one in the nation with a AAA bond rating.

Chairman Gieleghem and a majority of commissioners made the tough decisions to accomplish these goals, without regard to what it may have meant to them personally. For that reason, they have my appreciation and respect. They were examples of true public servants and made our county a better place.

Sincerely,

Carmella Sabaugh
Macomb County Clerk/Register of Deeds

The Macomb Circuit Court is a trial court of “general jurisdiction” because it handles all actions except those given by State law to another court. The Civil Division has jurisdiction over civil cases involving more than $25,000 and cases in which parties seek equitable relief. The Criminal Division handles all Macomb County felony criminal actions and some serious misdemeanor cases. The County Clerk serves as Clerk of the Court. Circuit Court judges are elected to six-year terms on non-partisan ballots. The Family Division handles all domestic relations matters. The Juvenile Division is part of the Family Division and handles delinquency abuse and neglect and adoption cases.

The Court Administrator supervises the general operation of Probate Court including personnel, budgets, and implementation of statutory changes and applicable court rules. This office maintains statutory records and indexes as well as archival records. The scheduling of cases for hearings and trials as well as alternative dispute resolution (ADR) are handled by this office. The Administrator will accept comments, suggestions and reviews complaints that may arise.

WILLS AND ESTATES DIVISION
21850 Dunham Road, Mount Clemens, MI 48043
Phone: (586) 469-5290; Fax: (586) 783-0971

This division administrates testate and intestate decedent’s estates and has exclusive jurisdiction over testamentary and intervivos trusts. Where appropriate the Court appoints guardians and/or conservators for minors and legally incapacitated adults. As a public service, the Court accepts for safekeeping the Last Will and Testaments of county residents. There is a nominal fee of $25 for this service.

MENTAL DIVISION
440 North Rose, Mount Clemens, MI 48043
Phone: (586) 469-5320; Fax: (586) 783-0905

This division processes petitions on the hospitalization of those individuals who are in need of mental health services and appoints guardians for those adults who are found to be developmentally disabled.
District Courts have exclusive jurisdiction of all civil litigation up to $25,000 and also handle garnishments, eviction proceedings, land contract forfeitures, civil infractions, and other proceedings. For criminal cases, the district court conducts preliminary examinations in felony cases and handles all misdemeanors where punishment does not exceed one year in jail including arraignment, sentence, and setting and acceptance of bail. District judges may appoint magistrates. The magistrates may set bail and accept bonds in criminal matters, accept guilty pleas, sentence for traffic, motor carrier, dog, game, snowmobile and boat law violations, and issue arrest and search warrants. Attorney magistrates may hear small claims cases. Magistrates may, at the direction of the Chief Judge, perform other duties allowed by statute.

Municipal Court civil jurisdiction is limited to $1,500. Its criminal jurisdiction is similar to district court. Municipal judges must be lawyers, residents, and electors of their cities. They are paid by the municipality and are elected for four-year terms as provided by city charter. They are part-time judges and may practice law outside of the courtroom.

The Court of Appeals was established by the 1963 State Constitution as an “intermediate” appellate court between the Supreme Court and Circuit Court. State law establishes jurisdiction of the Court of Appeals, but its practice and procedures are governed by Supreme Court rule.

The Supreme Court is the highest court in the state, hearing cases appealed from the Court of Appeals. The Supreme Court is responsible for the general administrative supervision of all courts in the state. It also establishes rules for practice and procedures in all courts.

The Bankruptcy Court is a unit of the U. S. District Court for the Eastern District of Michigan and has been given jurisdiction over most matters related to bankruptcy cases.

County residents are never far from leisure facilities.

These major parks include:
