Resolution Number:

Full Board Meeting Date:

RESOLUTION

Resolution to:

Approve an amendment to the existing WIC Program services contract between the Arab Community Center for Economic and Social Services (ACCESS) that increases the budget by \$16,200.00 to account for a caseload increase of 300 participants; from 1,300 clients per month to 1,600 clients per month.

Introduced By:

Toni Mocerì, Chair, Health & Human Services Committee

Additional Background Information (If Needed):

The original WIC Program services contract that was approved by the Board of Commissioners on March 15, 2013 was for \$105,300.00 and the contract authorized ACCESS to service 1,300 WIC Program clients per month. Due to increased WIC Program services needs at the ACCESS Sterling Heights facility the Macomb County Health Department is requesting an amendment to the contract that will allow 300 additional participants to receive WIC Program services per month beginning July 01, 2013. The original contract amount is \$105,300.00 and it is being increased by \$16,200.00 for a total contract amount of \$121,500.00. This caseload increase will enable ACCESS to service an additional 300 participants with WIC Program benefits per month beginning July 01, 2013.

There is no impact on the County's General Fund; funding for this contract amendment is provided through the Michigan Department of Community Health.
