THE MACOMB COUNTY "I VOTED" STICKER CONTEST IS UNDERWAY!

Winning entry to be printed on stickers and distributed to voters across Macomb County during upcoming elections

The Macomb County "I VOTED" Sticker Design Contest is open to all Macomb County students to prompt our future leaders to think about how, when and where Americans demonstrate their responsibilities by actively participating in civic life.

The contest has been developed in conjunction with the Macomb Intermediate School District (MISD) as well as the Macomb County Board of Commissioners. Participation in the Sticker Contest fulfills some requirements for the popular Board of Commissioners' Green School program.

The contest website can be found by clicking [here](#) and contains [this packet of information](#) including a flyer, rules, entry form, design template and other information.
