

### General Instructions

This form may be used to *report suspected cases and cases of reportable diseases*, listed with their reporting timeframes on the current [Reportable Diseases in Michigan List](#). In addition to specified reportable conditions, *any outbreak or unusual group expression of disease that may be of public health concern should be reported by the most expeditious means available.*

**Cases of reportable diseases should be reported to the Macomb County Health Department by one of the following methods:**

- 1. Call the Communicable Disease Surveillance Program at 586 783-8190, or**
- 2. Fax report form to fax #: 586 493-0075**
